REQUEST FOR ADDITIONAL FINANCIAL INFORMATION

Dear Borrower & Guarantor,

We have a question as to the earnings of Elektra and the recent financial report. On February 21st, 2023 Grupo Elektra, S.A.B. de C.V. released earnings for the fourth quarter of 2022. We note, that while revenue has increased by 12% as reported, the EBITDA decreased 45% as reported.

This is rather a material change, and we seek clarity and explanation as to why such a drastic decrease in EBITDA between fourth quarter of 2021 and fourth quarter of 2022.

Kindly provide an explanation for our records.

Sincerely,

ASTOR ASSET MANAGEMENT 3 LTD
